CHILDREN'S BOOK WEEK QUIZ AND ART COMPETITION RESULTS

The final of the Book Quiz for students of Altona schools was held last Friday in the Civic Hall.

The quiz and an art competition were conducted during Children's Book Week which began in Victoria on July 8.

From a written test contestants were selected for the quiz conducted by Altona's librarian, Miss Cynthia Paltridge.

Shire President, Cr. H. W. Lee, welcomed the many students who came along to hear their school representatives.

He said he hoped the children of the Shire realised what a friend they have in Miss Paltridge whose library activities have always centred around children.

Cr. Lee told the children that he believed the world of books is wonderful and is the key to the future.

At the conclusion of the quiz Cr. Lee assisted by Miss Paltridge presented the following prizes.

Sewage Effect to be Investigated

An independent investigation of the effects of sewage effluent to be discharged into Altona Bay has been proposed.

The purification plant being constructed at Altona and due for completion in November this year will be discharging up to 1.5 million gallons of effluent each day into the bay offshore from the Explosives pier.

The Port Phillip Anti-Sewage Pollution Committee has proposed an independent study of Altona Bay to test conditions before and after the introduction of effluent into the bay.

This was for consideration before a conference last night (Wednesday) of the committee and the council of Progress Associations of Victoria.

The secretary of the Anti-Pollution committee, Mr. B. Oke, criticised the government for not adhering to its promise that no effluent would be discharged into the bay before all preliminary tests were completed.

TRUGANINA RESERVE - Land at market price

(by the "Star" Reporter)

Some time must elapse before the stage of individual land sales on Truganina Reserve can even be contemplated. At this time it appears that the cost of purchasing a block of land would be at current market price.

Frequent conferences between the Council and Lands Department have made progress but much remains to be done.

A recent letter to the Altona Star queries why the Truganina Reserve has not been made available "with the advantage that their would be cheaper land than the shockingly high prices people are being asked to pay".

Frankly, there is no indication that the land will be cheaper.

In fact, in the "Scheme for the development of the Truganina Explosives Reserve" presented by the Council of the Shire of Altona to the Minister of Lands on May 18, 1966, the conclusion stated:

"Building blocks shall be sold at Market Price subject to the controls contained in this submission. Profit from the project shall then be used by the Council to finance municipal amenities when and where needed".

This detailed submission gave an estimated cost for the scheme covering 391 acres made up of 186 acres in the reserve and 205 acres in the buffer zone to the west of the reserve.

This provided for a total estimated cost of \$3,900,000. Included was a tentative estimate of

\$350,000 for purchase price from the government and \$2,600,000 for roads and land reclamation. The other costs were water, gas, electricity, administration and interest charges.

On this basis the net cost of the land per acre would be \$10,000, which, after providing for land for reserves, etc., could easily mean \$3,000 per block.

It was suggested that the project be developed in seven stages. The first and second stages being better land needing less filling.

Filling would influence costs unless the charges for the whole project are equalised.

Since this submission was prepared probably every aspect of the general plan has been considered and reconsidered in detail.

In general the present position is that while the Cabinet has approved in principle the idea of the

land purchase by the Altona Council, the enabling legislation has not yet been presented to parliament.

Before this can be done detailed agreement between the government and council on all plans and procedure is essential.

One vital step was made on May 2. The Board of Works Master Plan was released and it shows the Truganina Reserve zoned as reserved residential living.

It may be significant that the Board is stock-piling the soil from the excavations for the wide western drain. This obviously could be used in the Reserve areas.

There are now three important projects in the western area of Altona — the Laverton Estates, Notla Sub-division and the Reserve.

Each has its own claims for priority.

AMUSEMENT PARLOURS ATTRACT SCHOOL ABSENTEES

School principals have had to "flush out" wagging school pupils from Altona amusement parlours, Altona High School principal, Mr. G. L. Shee, says.

He wants the shire council to try to control the parlours.

Mr. Shee has written a letter to the shire council, saying:

"There have been many occasions when secondary school students of the municipality have been absent without leave and, on investigation by teachers and parents, they have been discovered in local amusement parlours.

"Apparently the proprietors of these establishments exercise no more responsibility than the boys of school age who frequent them during school hours, otherwise Principals would not have to carry out periodic raids to flush out absentees.

"If the premises of which I complain were licensed I'm sure that the proprietors would be more willing to discriminate between school boys and legitimate patrons.

"In view of complaints that have come to my notice recently concerning Altona High School boys squandering their time and money in these parlours, I must request the Shire Council to attempt to legislate for some adequate control which your Health Officer tells me is lacking at present."

Local Boy Placed in Junior Cycling Championship

Fifteen year old cyclist Tom McEwen of Civic Parade, Altona, finished third last Saturday in the Victorian Juvenile Cycling Championships.

Boys, under 16, from all over Victoria competed in qualifying heats of nine mile rides for the right to enter the final.

The final was over a 15 mile circuit on Lancefield Road, Bulla.

Tom is a member of the Footscray Amateur Cycling Club.

cuts, bruises and shock at Footscray Hospital, the boys, Victor de Lorenzo of Maidstone Street, Altona, and Geoffrey Collins of Scullin Street, Altona, were allowed to leave.

They are pupils of St. Paul's Catholic College in Blackshaws Road, Altona North.

Slightly injured was Mrs. Margaret McIntosh of Cambridge Street, Seaholme. She suffered shock and bruises.

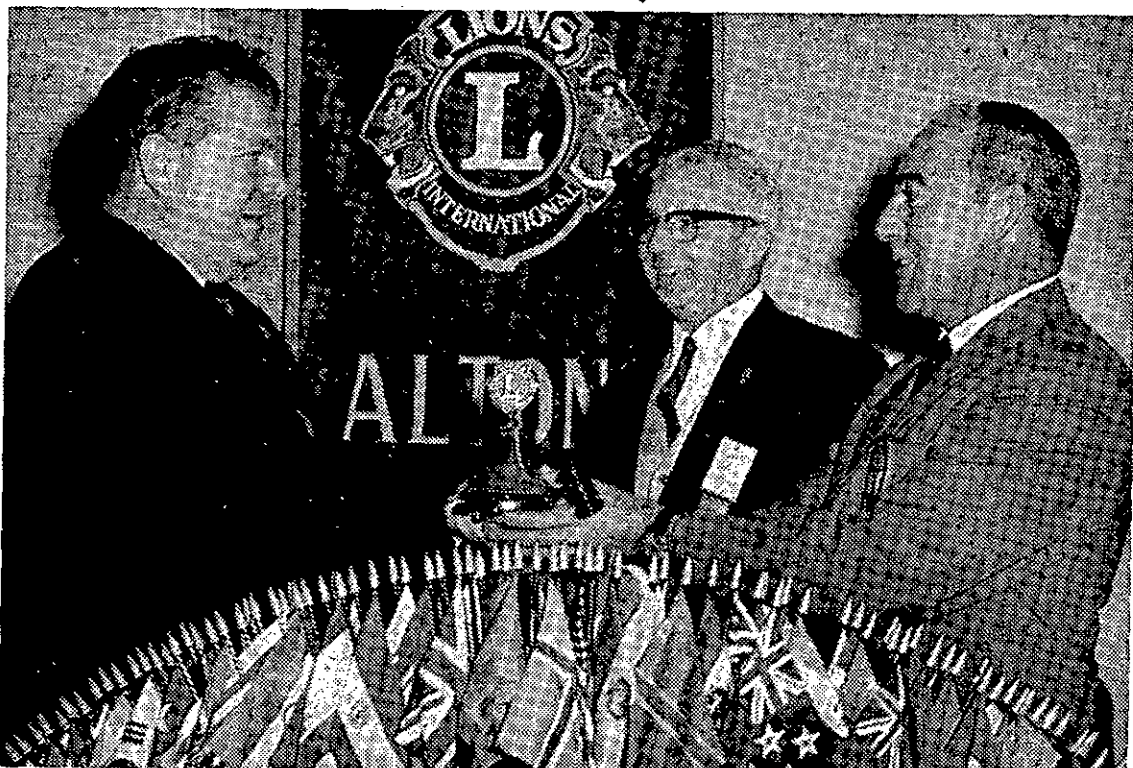

The bus driver was Dennis O'Callaghan of Hicks Street, Tottenham.

Driver of the truck owned by McLean's Fuel and Fodder Merchants was Herbert Smith of Pier Street.

Two school boys were taken to hospital for treatment and another passenger and the driver were slightly injured when this bus and an empty briquette truck collided in Millers Road, Altona, at about 8.15 a.m. last Monday morning.

The accident occurred about 2 mile south of Kororo Creek Rd. as the bus was travelling north on the Altona-Footscray run. After treatment for

LIONS PRESIDENT INSTALLED

At a function earlier this month Mr. Ed Poole (pictured above left) was installed as the 1968-69 president of the Lions Club of Altona by the Past District Governor, Mr. Ern Basford (centre). On the right is retiring president Mr. Stan Rowe. Other office bearers for the new year are:— 1st Vice President, Noel Wood; 2nd Vice President, Bob Crump; 3rd Vice President, Syd Bell; Secretary, Jack O'Sullivan; Treasurer, Darrell Munn; Lion Tamer, Tom Sause; Tail Whistler, Joe Hanykyr; Directors: Angus Wright, Jack Howard, Ken Wilson, Allan McDonald, Charlie Trickey.

EDITORIAL

Water Pollution

Coming so soon after the Medical Officer's report, now concern about the sewage effluent in our Bay has been expressed.

Is Altona Bay to be cumulatively subject to water pollution from various sources?

It now appears that the waters of the Bay have for long years been inoculated with noxious effusions from drainage inflows. Some of these will be decreased with the inception of sewerage.

According to authoritative statements the sewage effluent will be almost pure and in fact drinkable. However, we are willing to forgo that privilege.

Those who are opposing sewage effluent in general have a point. Even though effluent systems in other parts of Australia seem to have proved their efficiency and hygienic innocence, the effect in lake-like waters of Port Phillip Bay have yet to be established.

It can be even more effectively demonstrated in the low current area of our local Bay and therefore the reason for the publicity regarding a test case on the Altona sewage effluent.

In general, apart altogether from the controversial effluent there is enough to concern us in the other inputs.

It is anomalous that with all our beach clean activities, there is so little control of the purity of the water we bathe in.

ENGAGEMENT

Mr. and Mrs. Rowlinson 2 Chave Court, Laverton announced last Saturday night the engagement of their eldest daughter Pamela to Robert Verity, only son of Mr. and Mrs. E. G. Verity of Rose Street, Altona.

St. Eanswythe's Parish Concert

This popular and enjoyable night for young and old alike will take place on August 2nd at 8.00 p.m. at the Altona Civic Hall.

As usual there will be items by Parish groups and individuals, and items by the Ballet class, the Altona State School Verse Speaking Choir and the Altona Minstrels.

Tickets are 75c adults and 25c under 14, and are available from Altona Toyland or the Vicarage.

Get your ticket early as the Concerts have always been packed out and only limited tickets are for sale this year to avoid overcrowding in the Hall.

THANKS — APEX

I wish to thank Apex and those men (Apexians) who have given up their leisure time to paint my home and replace windows. I am truly grateful for the magnificent work they have done.

UNLICENSED DRIVERS FINED \$100

Two unlicensed drivers, one of a car, the other of a motor cycle, were each fined \$100 in Williamstown Court last week.

The motor cyclist was Anthony Stafas of John Avenue, Altona North.

First Constable Derek Wilsher of Altona told the Court he saw Stafas riding a motor cycle in Pier Street, Altona. He said he asked Stafas for his licence but Stafas old him he had no licence or learners permit.

Stafas said he was getting some practice before going for a test. There were L plates on the bike.

Christopher Alikakos of Hansen Street, Newport, was intercepted on January 12 in Mason Street, Newport for travelling at 43 m.p.h. in a 35 m.p.h. zone. On learning he had no drivers licence police charged him with this offence as well as speeding.

Alikakos was fined \$100 for driving without being licensed and \$10 on the speeding charge.

Basketballers in Four

With half the season over, the Altona men's basketball team, although having won seven of their eight games, are third on the premiership ladder of the Church of England competition.

A lower percentage is keeping Altona below the two leaders.

Last Monday night Altona continued their winning way by defeating Monash 46-32.

The Club has elected a new committee. President and coach is Mr. Arnold Ansons, Treasurer-Secretary: Mr. Ken Burbridge, Assistant coach: Mr. Max Johnson.

A membership drive is planned — more players (adult fee \$2, student players \$1), and social members for a \$2 fee.

Next function will be a barbecue. At the end of the year the team will return to Swan Hill to defend their Murray Valley championship title.

A Reserve 27 were defeated by Maidstone C. of C. 29.

B Grade 31 defeated Holy Trinity 20.

B Reserve defeated Williamstown C. of C. by a walkover.

TABLE TENNIS —

All teams resumed normal competition in round 11, following the completion of the 1968 Championships. Vic Beattie, who has been paying consistent B grade for many years, enjoyed a terrific match with youthful Stephen Hayes, Junior Title holder, 1968.

Hayes won narrowly at 21-16, 12-21, 21-19.

Helen McDonald is regaining form in C3 with Altona (R. Jenkins, John Noble, Ken Weston) but finding the competition in this grade is of a high standard. Among her victims was Ron Harvey, whom she eclipsed in three sets.

Three new lads have appeared for Altona Youth Club in D2, and fared quite well against the top team Commonwealth Hostels. Although Hostels won easily, the newcomers Tony Hansby, Pat Gannon and P. Harrigan, are all keen and athletic, and will improve rapidly.

The Miller family, of Altona North, also figured in an exciting contest with A.R.C. Company, of Sunshine. Parent Ron Miller, aided by sons Ian and Barry, defeated Silvia Wentworth, C. Howie, J. Head, Patricia Cooper, in one of the closest matches on record. Scores were: 6/13/442 to 5/13/439 in favour of the Miller family. A draw would have been a fitting result.

C Grade 33 defeated Newport Pressy 13.

Next Games

A Reserve v. St. Andrews at Seaholme N. at 3.15.

B Grade v. Newport Bapts at Seaholme at 1.45.

B Reserve v. Maidstone C. of C. at Maidstone at 1.45.

C Grade v. West Newport Meths at Seaholme at 1.45.

VAN DER POEL—BRIEDE WEDDING

(Photo by courtesy Barry M. Sutton, 397 6017.)

It was a family wedding when Everdina van der Poel married Dirk Briede at the Altona Presbyterian Church on July 6.

All attendants were related to either the bride or groom.

The bride is the second daughter of Mr. and Mrs. W. van der Poel of Blyth Street, Altona, and the groom is the son of Mrs. Briede of Rotterdam, Holland, and the late Mr. Briede.

Bridesmaids, Xyia Briede and Cecilia van der Velde, and flowergirl, Christina van de Velde, are all cousins of the groom.

Three brothers of the bride attended the groom. Best man was Keith van der Poel, groomsmen Peter van der Poel and page boy George van der Poel.

A white crepe full length gown with a long train was worn by the bride. Her elbow length veil was held in place by a rose and she carried carnations.

Full length aqua satin gowns were worn by the bridesmaids.

The bride's mother wore a pink ensemble with black accessories.

A reception for 100 guests was held in the Youth Hall. The couple are honeymooning in Tasmania.

Successful but Sad Year for Elderly Citizens

The 1967-68 year has been a successful one for the Altona Elderly Citizens Social Club.

A final payment to the Altona Council of \$500 made a total of \$1300 which members contributed towards the cost of the bus used to transport each day the elderly infirm to the club rooms.

Members are grateful to other contributors and donors who provided the remaining \$1200 to cover the full cost of the vehicle.

But it also has been a sad year with the passing of popular manager, the late Barry Prissall, and several members.

Birthday parties were held each month of the year with the eldest birthday celebrant having the honour of cutting the cake.

The choir, although only few in number did well under the leadership of their pianist Miss O'Brien.

Dances were well patronised, good prizes were given and the excellent suppers were enjoyed by the dancers.

Regular day trips took members by bus to places which otherwise a number of them would not have been able to visit.

Parties also attended several live shows and film showings at city theatres. Two Sunday afternoon concerts in the club rooms were popular.

Another activity held each month, on the first Friday, was a cards and bowls evening.

And on every Tuesday and Thursday afternoon games and cards were played.

Religious Instruction

Rev. J. B. Lawley has arranged on excellent series of lectures for Forms 5 and 6 Religious Instruction classes at Altona High School.

On Friday, July 19, Mrs. Marjorie Beggs of the Church of England Marriage Guidance Council will discuss her subject with the senior students. The following three Fridays speakers will be:

July 26: Rev. Bill Frawley, Church of England Chaplain, Pentridge.

August 2: Rev. P. Wilson, full-time Industrial Chaplain and Worker with Alcoholics.

August 9: Miss Janet Patterson, Social Worker with the Brotherhood of St. Laurence.

Competition for Band

Altona bandsmen will compete in the Victorian Bands League competitions in the Williamstown Town Hall on July 21.

The Arts Society is to ask the Altona Municipal Band if it can give regular concerts on Logan Reserve in November, December, February and March.

Cr. P. A. Burns has been elected president of the band.

Students Celebrate Bastille Day

"Bastille Day", France's National Day, July 14, was celebrated last Friday by Altona High School French students.

A program of music and folk dancing was presented in the Youth Hall by pupils trained by teachers Mrs. J. E. Clarke, and Miss R. Evans.

Onion soup made to Mr. A. Soddell's recipe was served with continental bread to all the students of French who were present. Later, coffee and delicious cakes were served.

Originally the function was to have been held out of doors at the school but due to the inclement weather the Altona Council made the Youth Hall available.

Supper Dance for School Library Fund

The Seaholme State School Committee will be holding a supper dance at Tolbot Hall, Williamstown on July 27, in aid of the school library.

A few tickets are still available from Lyndia Van Teuligen (Phone 398 1347) and Graeme Sherman (398 1856).

C.W.A. Social Day

A Social Day for members will be held at the home of Mrs. K. Hook, 96 Civic Parade, Altona, next Monday, July 22, from 1.30 a.m.

"Old Time" Pianiste Needed for Elderly Citizens Dance

An accident has temporarily deprived the Altona Elderly Citizens Club of a pianist for the "old time" dance band.

Another pianist is urgently required for the elderly citizens dance this Saturday, July 20.

Pianists who could fill this gap are requested to please ring 398 1417.

A.H.S. Fete Committee Report

The response for help for the fete per the questionnaire sent home with each pupil was poor, so poor in fact that it is hard to believe that only 80 completed forms were returned. Does this mean that the other 270 families are not interested in their child's school?

There is an urgent need of tents for use as stalls on Fete day. If anyone can help with the loan of a tent 6' x 6' or larger, would they please let a member of the committee know or leave a message at the school office. All care will be taken.

Fourteen types of stalls, lucky dips, food, marching girls, train rides, etc. will be held.

The Principal reports good progress with the sale of bricks and collection of books for sale.

R.A.A.F. CADETS WILL PARTNER DEBS.

St. Mary's Parish is holding its Annual Cabaret Ball on Friday, August 16 at the Williamstown Town Hall.

Nine debutantes and their partners, the RAAF Cadets from Laverton Base, will be presented to the Right Rev. Monsignor B. O'Regan, P.P. during the evening.

The Debutante set is being trained by Miss J. McCaule of Werribee.

Tickets are \$8 double and \$4 single and can be obtained from the Ticket Secretary, Mrs. Irene Dix at 398 2696.

Food Tasting Demonstration

The Altona West Mothers Club will hold a morning coffee and food tasting demonstration on Wednesday, July 24 at 10.30 a.m. It will be held at the home of Mrs. Jan Hudson, 11 Cowra Street. Donation is 30 cents.

ENGAGEMENT MEEHAN-ALISON

Mr. and Mrs. J. Meehan of Stirling Ave., Altona have much pleasure in announcing the engagement of their eldest daughter, Josephine, to John, second son of Mr. Allison of Northumberland, England and the late Mrs. Allison.

Tupperware Demonstration

The Altona Presbyterian Girls Gymnasium will hold a Tupperware demonstration at the Sunday School hall on Saturday, July 20 at 2 p.m. A cordial invitation is extended to all mothers. Donation is 20 cents. Committee members are asked to bring a plate of cakes, sandwiches, etc.

C.A.E. Classes

Adult education classes will start at Altona High School on Monday, September 16 and continue for 10 weeks until November 18.

Classes, all on the Mondays, are:

7.30-9.30 p.m. How to paint and draw.

8.00-9.30 p.m. Secondary Mathematics for Parents. The Astronomer's Universe.

MADAM MAWER'S SCHOOL

A.H.S. Advisory Council

The first monthly meeting of the Altona High School Advisory Council, held after the Triennial Election, was held last Thursday at the school. The election of Office Bearers was held with the following appointments being made for the next 3 years:

President: Mr. I. Herbert, Treasurer: Mr. K. Wilson. Committees were appointed: Buildings Interior; Mrs. J. Forbes, Mrs. Bonnett, Rev. Lawley.

Grounds and Exterior Buildings: Dr. Leyden, Mr. Applin, Mr. Scott and Mr. D. Grant.

Finance Committee: Mr. K. Maxwell, Mr. E. Harris, Mr. Ken Wilson.

Public Relations: Mr. R. Swift, Mr. W. Haining.

Plans for the proposed Shower Block are proceeding and it is hoped that tenders will be called for shortly.

Altona West School News

The monthly meeting of the Altona West State School was held on July 10. General business was discussed.

A cheque for \$200 was received from the Mothers' Club to be used on some form of shade and shelter, particularly for the little children.

Suitable trees and shrubs are to be planted. Filling has been spread by members of the committee and some willing parents. Much more is needed, and volunteers will be called on to spread it when more becomes available.

660 pupils are enrolled at the school at the moment.

This year Education Week will be from August 11-18. A Music Festival, similar to the successful one held last year, will be held at St. Joseph's College, for Secondary schools in the area on August 8.

Scouts Offer to Paint House Numbers

Altona's scouts have offered to paint luminous house numbers on street kerbings.

The scouts have offered to do this as part of their Scout Job Week.

The proposal has gone to the council's committees for examination.

The proposal came from Mr. K. Stevens, GSM of the 4th Altona Scout Group. He said in a letter to the council:

"With Scout Job Week coming up in the near future, I as GSM of the 4th Altona Scout Group, would like to know the Council's views on the following proposal.

"As most people are aware it is extremely difficult to find a particular house in an unknown locality at night. Therefore I would like to propose that Scouts, armed with a pot of luminous paint and a set of stencils 1-0, go around the Shire and stencil house numbers on the kerb in front of each house for a small fee per number. This way the boys would be earning the money, which is the object of Scout Job Week, and at the same time perform a public service.

"Should the council favour the proposal I see no reason why the job could not be shared by the four Altona Scout Groups, with 2nd and 3rd Groups sharing that part of the Shire which is north of Kororoit Creek Rd., whilst 1st and 4th groups could share the remainder.

"Should other groups not wish to participate in the proposal then I am sure that our boys would be happy to do their share.

"I would be only too pleased to go into further detail on the proposed scheme should it receive favourable consideration."

Altona Senior Troop Formed

On Friday July 12, the first meeting of the Altona Senior Troop was held in the 1st Altona Scout Hall and was attended by 13 lads from 1st, 3rd, 4th Altona and 3rd, 9th Footscray.

The District Seniors Leader, Mr. J. Faulkner, and 6 scouters from their respective groups were in attendance.

During the evening G. Carruthers was invested as a Senior Scout.

The following were selected as Patrol Leaders: Troop Leader: G. Carruthers.

Patrol Leader: R. Barrow, Mawson Patrol: I. Grant, Sturt Patrol: I. McLennon, Scribe.

The meeting was very successful and it is to be hoped that it will continue in this spirit in the future. Invitations are extended to any old Scouts of Senior age who wish to rejoin.

The next meeting will be held on Friday, July 19, at 1st Altona Scout Hall, commencing at 8 p.m. The programme will consist of a Venture Training Night in preparation for the Senior Venture Weekend to be held at "Tree Tops" on August 3 and 4.

DECIDUOUS FRUIT TREES

It is no use planting fruit trees unless they are given regular and correct attention as regards, cultivation and the control of insect pests and diseases. Australian conditions are ideal for growing fruit trees, but these same conditions suit insect pests and fungi diseases.

There are, however, several kinds of fruit, such as loganberries, figs, strawberries, gooseberries, passion-fruit and guaves, which do not require such attention. Apples, pears, peaches, plums, apricots and nectarines do best in cool temperate districts, while almonds, figs and persimmons thrive in the warmer parts of the state.

Deciduous trees will give good results in most soils, and ordinary garden soil that has been cultivated for a number of years, suits fruit trees very well.

If the ground is in good condition, no manures will be needed when planting, but if in poor condition, good application of stable manure is necessary.

Having prepared the ground, and picked the position for planting the trees, holes should be dug from 2½ to 3 feet in diameter, no more than 6 inches deep. The trees should not be planted any deeper than the graft. Plant the tree on a small

NEW MANAGER

Mr. H. W. Oldfield, manager, manufacturing planning, of Mobil Oil Australia, will leave soon for New York where he will take up an assignment in the planning department of Mobil East Inc., the regional operating division of Mobil Oil Corporation.

The assignment is for 18 months to two years.

Mr. Oldfield, who holds a degree in chemical engineering from Melbourne University, joined Mobil as a process engineer at the Altona refinery in 1960. Mr. G. S. Thomson, also a bachelor of chemical engineering from Melbourne University, has been promoted to Mobil Australia's manufacturing planning, effective August 1. Mr. Thomson joined the Altona refinery in 1963 and transferred to the planning department as an analyst in 1966.

Lapidary Club Meeting

Members of the Western Suburbs Lapidary Club are reminded that the next General meeting on Thursday, July 18, at 8 p.m. will be followed by the Annual meeting and election of Office Bearers and Committee, for the ensuing year.

Only financial members can vote or be elected to office. Annual subscriptions fall due on July 1. New members will be welcome.

Meetings are held on the third Thursday of each month at Children's Library Hall, 47 Vernon St., South Kingsville.

Correction

In the report for the Altona Drama Group in last week's issue, a mistake occurred.

It was stated that all tickets for their next production "See How They Run", August 12-14, had been sold — when in actual fact, tickets for the dance on July 12 had all been sold.

Tickets for the hilarious farce, to be produced in the Civic Hall, are available from any member of the Drama Group.

1st Altona Cub Pack News

All parents of 1st Altona Cub Pack are invited to a "Parents Night" on Thursday, August 25, at 7 p.m.

Mothers are asked to bring a plate of sandwiches, cakes, etc.

The monthly meeting of the Group Committee will take place at the Scout Hall on Monday, July 22, at 8 p.m. All welcome.

Thanks go to the mothers who cleaned up the kitchen last Thursday night, Mesdames Banks, O'Donnahue and Franklin.

NATURAL GAS HERE NEXT YEAR

Natural gas will come to Altona Nth. between August and November of next year.

But work on fitting governors and filters and preliminary work on gas appliances will begin much earlier.

This is the schedule laid down by the Colonial Gas Association:

PHASE 1 —
Service Governor Fitting, May to September, 1968:
A service governor-filter unit will be fitted at the inlet meter of all customers served off low pressure mains. This is to ensure a constant pressure at the appliance burner which greatly simplifies the conversion to Natural Gas.

PHASE 2 —
Prework (August 1968, to December, 1968):

Prework will involve performing as much work as possible on gas appliances before turning in natural gas. Prework will also provide our Contractor with 10 p.c. survey of installed appliances which will enable him to accurately schedule parts and labour before Natural Gas is turned on.

PHASE 3 —
Conversion (August 1969 to November 1969):

Conversion will involve the actual turn-in of natural gas to sections of approximately 1500 customers. Each section in sequence will be completely converted in three days except for a few smaller sections which will be converted in a shorter time. The appliances belonging to our customers will be fully converted and adjusted to burn natural gas during this final phase. The entire conversion will be at no cost to customers.

The gas fitters will place their mobile workshop and offices on a triangular piece of ground near the corner of Mason and Mills Streets. They will be there for the preliminary work phase next November and for conversion work in mid-September, 1969.

Committee Meeting

A Committee meeting of all members of the Altona Football and Altona Cricket Clubs will be held at the Clubrooms at 8 p.m. on Monday, July 22.

ART SHOW

An adult art show is to be conducted in the Civic Hall by the Beta Sigma Phi group on October 12, 13, 14.

Beta Sigma Phi organized an excellent art show during the Arts Festival last year.

Local artists are to be asked to contribute to this year's show, which will be open to the public free. Any money raised will go to the Melbourne Ladies Welfare Society.

Fancy Dress Parade

The Ronald Ave., kindergarten mothers club plans to hold a fancy dress parade for school children on November 2.

The parade will be at the kindergarten.

Successful School Bazaar

The Altona Primary School Mothers Club held a very successful Bazaar last Saturday. A profit of approximately \$410 was made.

The Club would like to thank the local shops and businesses for their donations, the children for bringing groceries along to the school, the mothers who made cakes to help stock the stalls, and Mr. Clarke who came along with his train.

The special effort of a dried flower arrangement was won by blue ticket No. C38, Mrs. Harris, Seaholme.

The Mothers Club is holding a "Beetle" afternoon at the "Homestead", Queen Street, Altona, on July 25, at 1.30 p.m. Members are asked to bring afternoon tea. Admission is 30 cents.

Students Visit Duntroon

A group of 80 schoolboys from all parts of Australia took a good look at life at the Royal Military College, Duntroon, A.C.T. during the weekend, July 5 to 8. The students formed the second group to visit the College this year. All were boys between the ages of 15 and 17 who had not made a final decision about their future career. Pictured examining a F1 carbine are four of the boys from Victoria, P. Wilson, Brighton High School; G. Houghton, Broadmeadows High School; Y. Sawenko, Moreland High School; W. V. Simmins, Altona High School.

CAMERA CLUB'S ANNUAL MEETING

Last Friday's meeting of the Altona Camera Club was extremely busy as it was the Annual General Meeting. After the Secretary/Treasurer's report told of a very successful year, the elections for office bearers were held. Everyone voted unanimously to return the present club officers to another term. They are: President, J. Merrills, Vice-President, R. Hawkins, Sec./Treas., E. Gunn. An additional office was made of Librarian and Print Steward, with both positions being filled by K. Hart.

After much discussion it was decided that this month's competition (series of 3) was too difficult to undertake at this early stage and so it was scrubbed in favour of an 'Open' competition. Unfortunately, time is very short and entries are still to be handed in on July 19.

An aggregate point system will be started as from July, which will permit the Advanced Grade to be attained.

A reminder about subscriptions which are now due. These may be paid to the Secretary at any club night.

Altona Primary School News

One of the senior members of the staff of Altona Primary School, Mr. M. Kidd, underwent an operation in the Williamstown Hospital last week. The staff and students sincerely wish Mr. Kidd a very quick recovery.

For the last 12 months, June 30, 1967 to 1968, the Social Service League have donated \$321.50 and goods to the value of \$63.75 to hospitals and charities.

ST. PAUL'S FOOTBALL

In the Under 14 division of the Footscray District League, although the ground was against copy-book football, a more determined St. Paul's more than matched Albion. They defeated Albion 4.5-29 to 2.6-18.

Goal kickers: Hassett 2, Mandics, 1. Mason 1. Best players: O'Brien, Norris, Jackson, Mandics, Starcevic.

RESERVES MOVE UP LADDER

Altona Reserves had a good win over Southern Stars on Saturday, scores were Altona 19.15 to 6.6.

At the start it took quite a few minutes for Altona to accustom itself to the bounce on the old ground, which was in perfect condition.

Kicking into a slight breeze, Altona attacked first but S.S.'s were first to score with a behind and 2 minutes later another.

Twelve minutes elapsed before Altona scored a goal, followed quickly by a long drop punt straight through the centre. Altona were winning round the flank and across the centre, with rucks giving drive.

Good judgment when marking gave 4.1 for the quarter to S.S.'s 0.4.

Two goals in 30 seconds in the second quarter looked good but a lapse came. The forward line was open but teamwork was patchy, although endeavour was continuous. The loose man on the back line for S.S.'s was not paying off so he went on to their forward line with the result of 2 goals in 2 minutes, creating havoc among Altona backmen.

In the third quarter Altona continued to attack through the centre where "Sicks" Stephenson was doing a "Hassa Mann" getting many penetrating kicks deep into the forward line. No one was interested in running past to create a loose man. Like Allen was using his weight and experience to feed upfield team-mates.

The back line had a small lapse in concentration but held out attacks with sometimes fanatical effort, led by a vigorous Rob Meddings and John Neal. All the team with half the tenacity and spirit will win more matches.

The last quarter started with S.S.'s going with a bang — kicking 1.1 before Altona settled in. For five minutes, after a little disagreement, Altona began to move the ball quickly and use their pace and now confident foot and hand passing taking control for the last 20 minutes.

Best players (not in order): A. Scaly, K. Peachey, R. Meddings, J. Neal, S. MacFadyen, Stephenson, J. and R. Lawson, Allen. Goal kickers: S. MacFadyen 6, Carke, I. Reilly, R. Stephenson, Drew, Salisbury 2 each and Buysen, Peachey, Scally, 1 each.

DID YOU SEE?

1. John Clarke's 2 goals (He had to be asked how many).
2. Sam MacFadyen snapping goals out of packs.
3. Nev. Drew reading the flight of the ball and marking amongst opposing players.
4. "Sticks" running goal from the boundary.
5. Joe Lawson leave in the 4th quarter with "caved-in" ribs.
6. Andy Scelly rove well.
7. Kev. Peachey's polished disposal.
8. The small men keep the ball moving.
9. The drive from the rucks.

Altona Reserves moved a step closer towards the final four with teams above on the premiership ladder playing each other.

The reserve bench shows much talent ("Remember, a team is only as good as it's reserves").

Hard training makes a hard match within your grasp. Keep at it boys, the success is up to you: stick together and work together.

CHURCH FOOTBALL

Wtown Beths Best: R. Scott, N. Potter, G. Smith, Ray Powey, J. Phillips, B. Hill, Goals: R. Scott 3, B. Hill 2, Ray Powey, N. Potter, 1 each.

Yarra Combine Best: G. Stanley, L. Pelech, J. Jones, D. Rich, Z. Urbans, R. Wentworth. Goals: G. Stanley, T. Norris, R. Milne 1 each.

The ladder stands at present: Wtown Meths 44 pts (254.1 p.c.); Yarraville Combine 32 pts. (216.9) Holy Trinity 28 pts (150.0); Altona Presby, 28 (130.0); Yarraville St. Lukes 8 (30.4); Westport Meths. 4 (22.4).

This week's matches are: Yarra St. Lukes v Wtown Meths at Yarraville Oval; Yarraville Combine v Altona Presby, t Barlow Reserve; Westport Meths v Holy Trinity at Gray Res. Altona Presby's, by their fighting (verbally, not physically) win over Westport Meths, enhance their finals prospects and if they continue in this vein their supporters will be pleased with their efforts.

Altona Wins Football Clash at Thornbury

Holding grimly to fourth position by virtue of a good percentage, Altona were at home to Thornbury, who earlier in the season had beaten Altona by 2 points.

This time Altona won 17.13-115 to Thornbury 8.6-54.

The visitors won the toss and kicked to the swamp goal, aided by a cross wind. York and Butterworth replaced J. Petersen (retired) and Campbell (unavailable). Reid and Danny Brennan were 19th and 20th men.

Thornbury were first into attack but play was a scramble until Wenlock slipped in clearing, and Thornbury raced the ball around the pavilion flank for a point. Harris's kick off was poor but York and Butterworth pushed Altona into attack through G. Brennan and Egan. The attacks were repulsed and the game developed into a battle of the half-back line.

On top across the centre, Altona pushed forward where Harrington was freed and Munro marked his kick. First score to Altona was the point that followed. Schwabe was marking well but bad misunderstanding amongst the Altona forwards was costly, as Boyle was off target.

Keeping up the attack from the kick off, Vosilaitis marked and his long kick brought up a goal, giving Altona the lead. The ruck duels were fairly even as neither side could break through, but again Thornbury goaled after an attack around the pavilion flank.

G. Brennan and Egan combined with pace to out-speed their opponents, but the only score was a point touched on the way through.

Munro was having a torrid time as the Thornbury packs crowded play and Harrington missed with a shot from close in. At quarter time Thornbury 2.1-13 led Altona 1.3-9, but the locals had done a good job to keep the visitors' lead to 4 points. Altona's handball had frequently been astray and ill-timed.

Attacking with the wind, Altona showed poor football sense as they kicked repeatedly to the non-scoring flank. Thornbury passed Gurrie and Pritchard but could only manage a point. Harris drove down the centre and Mal Tisdale continued the good work as he forwarded to Piovesan for Altona's 2nd goal.

Altona attacked but still showed poor football sense by coming around the pavilion flank to the dead pocket. With more than half the quarter gone the home side were frittering away their aid of the wind. The Altona backs tightened their game and playing closer, easily repulsed Thornbury's attacks.

Harris — a long way out from his goal — drove a big kick deep to the Altona half forward line where Piovesan marked and kicked full points.

Munro, although well guarded, flew high to mark but kicked poorly. Then Vosilaitis made no mistake after marking and his goal gave Altona a point lead.

It was all Altona as Vosilaitis copped one after kicking the ball in the next attack. From the downfield free, Harrington made no mistake. Attacking around the western flank, G. Brennan had a long shot to score a point and when Piovesan marked the kick off Altona went to a good lead. At half time they led 6.6-42 to 4.3-27.

Altona started the second half where they had left off. Maurie Tisdale's long win last Saturday.

Purples Win Hard Game

Playing at home and without 2 key position players, the Purples were hard pressed to beat Williamstown last Saturday. Final scores were Purples 6.7 to Williamstown 5.6.

Applying pressure right from the first bounce, Williamstown tried hard to bustle the Purples out of the game, but were met shoulder and hip in a real tough game with no quarter being asked or given.

After leading by 2 goals at quarter time and then only being 6 points in front at half time, Altona were headed in the third quarter. Williamstown got to the front by 1 point halfway through the quarter, then the Purples fought back to hit the front again at 3 time.

Playing desperately in the last quarter Williamstown tried hard to regain the lead but found Brian Garde practically impassable at centre half back. When Wayne Groves battled through a path to raise both flags, Altona sealed the game.

The Purples must be congratulated on a fine effort as although being under-strength and playing very hard opponents, each player gave of his best and battled the game right out to the final siren for a meritorious win.

Best players: Garde, Groves, Chatfield, Grainger, Gordon, Simmons.

Goal kickers: Grainger 2, Zapart, Van Dyke, Wilson, Groves.

Gold's Beaten but Far from Disgraced

In going down to Devon Park the Golds put up their best performance for the year. With only 17 men, the Golds "pressed" Devon Park throughout and after the game were congratulated by the Devon Park coach.

This was an excellent game without a spiteful act of any kind.

Scores: Golds 3.2-20. Devon Park 15.18-108.

Goals: Bloekerus, Herrick, Roosenboom.

Best: 3 Votes, Paul Herrick. An excellent game in which he broke even with the very good Devon Park centreman.

2 Votes, Gary Jackson. This determined lad played his usual consistent game.

1 Vote, David Hitchcock. Once again marked confidently on the back line.

Also Moylan, Jenkins, Haining, and the Morgans.

Centrals Lose to Newport

(by "Scotty" MacDonald)

In the main open age match, Newport scored a morale boosting win over Central Altona.

Centrals played better than the scores indicated, it was a hard-slogging battle, and the play saw-sawed between the half back lines, with the backmen having a slight edge over the forwards.

With only two home and home games remaining in the under 16 div., Altona Purple have an unassailable lead. They meet Devon on Pk (3rd) this week and from this game should be able to assess their position; as they defeated Williamstown (2nd) last week.

UNDER 18 HAVE GOOD WIN

The Altona U18 played RAAF Apprentices last Sunday at Grant Reserve and were fortunate to be in front at half time. Too many players were inclined to play as individuals, fighting their mates for kicks, and all flying together with no scouting of the packs. Coach "Scud" Thompson must have read the riot act at the long interval as Scott Adams and Danny Brennan took charge in the rucks and Flett was a very busy and damaging rover, contributing 5 goals of the 8 goals scored by Altona during the third quarter.

This side has the ability to bring home the third consecutive Under 18 premiership to Altona if they play as a team and listen to their coach. Final scores of the game were Altona 16.9-105 to RAAF Apprentices, 8.12-60. Goal kickers: Flett 5,

BASEBALL —

Newport lost this game in one innings, when Port Melbourne team batted and Newport made their only 2 errors for the match.

Newport left too many runners on bases, in nearly every innings there were at least 2 runners left on bases, with more team batting the result of this game could have been reversed.

Port Melb. d Newport, 4-2.

Safe Hits: J. Stonehouse 2, R. Simpson 1, J. Kelly 1, B. Cleary 1.

Best Players: A. McKay, J. Stonehouse, R. Simpson.

B TEAM

Newport won this game with good batting and excellent pitching by J. Armstrong in obtaining 16 strikeouts. With 14 safe hits for Newport only good fielding by Port Melbourne kept the scores so close.

Newport d Pt. Melb., 4-3.

Safe hits: Middlemass 2, Webb 2, Armstrong 2, D. Ockwell 28, Henderson 2, S. Bunting 2, Thompson 1, Quinn 1.

Best Players: J. Armstrong, D. Ockwell, D. Henderson, W. Middlemass.

C TEAM

This was a very close game with both teams being very even, only errors by Pt. Melbourne proved too costly, and enabled Newport to run out the winners.

Newport d Pt. Melb. 7-5.

Safe Hits: Minnett 4, Hird 1, Thom 1, G. Murdoch 1.

Best Payers: Minnett, G. Murdoch, Thom.

UNDER 17

Newport received a walk over from Fitzroy, 9-0.

UNDER 15

Through illness this team was unable to field a side, and were forced to give a walk over to Alphonington, so lose the game, 9-0.

"BIG BREAK"

A lot of you King Groovers know by now who won the Hoadleys - 3UZ "Big Break" after being glued to your trannies and radios night after night. But how many of you can name all the groups that were in it? There were 65 entrants. But you would have only heard 64 over the "Big Break". The "Colours" pulled out after they had recorded "Plenty of Room Up Top" at 3UZ for the contest. They preferred to take the tape to a record company.

Below are the names of the others.

Henchmen (Winners)
A Kind of Love, Watch-Windy & Warm (Second), Ema-Calit, Prohibition, The Grid, Langford Lever Blues Band, Moving Target, Motivate, Sound Barria, The Hunters, The Other Side, Unknown Experience, Memorandum, The End, Three of Us, Fade Away, Total Fire Band, Tol Puddle Martyrs, Fourth Dimension, Sounds of Time, Lavander Hill Affair, Christopher Nicklby Action, Georges Blues Band, Primitive Confined, Sensation, Madame Appleby, Pryme Existence, Tuesday's Destiny, Jelly Roll Blues, San Sebastian, Four's a Crowd, Bo Jordan's Original, Soul Experience.

The Pattern, Noddy's Banned, Coloured Rain, Broadside Children, Maxwell Street Blues Band, Tridents, Soul Generation, Entertainers, Vines, Bunch of Ratbags, Svargoden Symplex, Society, Human Way, Beethovens, The Green Urchin, Woz, Bramble Patch, Radio - Active Cabbage, Beats Unlimited, Sandpiper Generation, Darren Grainger Set, Banned, Saint Louis Union, Strawberry Patch, Much-Ado-About-Nothing, Cirkus, Derelicks, Fathers of Invention, Orange, Brown Eyed Handsome Jam.

Can you name the groups in the "Battle of the Sounds" at Festival Hall?

DISK SCENE

As this column supports the Pop scene, I feel it is necessary to reply to the "Bacchylides Theory of Pop" published last week.

True, pop music has gone through many eras, but this does not mean that people are running out of ideas.

As technical advantages continually come into pop music, surely gimmicks can continue to originate, (although gimmicks are obviously not the essence of pop). For example, "Psychotic reaction" would have been impossible to record a few years ago because the science of pop was not sufficiently developed, but now new ideas can be successfully attempted by almost anyone providing they are good musicians in the first place, and there is no reason why "Pop" can't thrive and grow indefinitely.

In answer to the accusation that the return of rock to the music scene indicates an end to pop, one can thereby assume that the return of "Bonny and Clyde" garments is the fashion world indicates a foreseeable end to the wearing of clothes. It may seem a poor comparison, but surely 'pop' has become so ingrained in music, that it is a vital and permanent aspect of our lives, and therefore not doomed because of a return of a previous "fashion" to popularity.

New LP's -

The Union Gap has released an LP with their three big hits, "Woman, Woman", "Young Girl" and "Lady Willpower", which need no further explanation.

The Album also includes material recorded by other artists which is surprisingly good. This includes "Honey", "Lady Madonna", and "Mighty Quinn".

Disk Scene -

The Hollies have released a "Greatest Hits" LP which incorporates some of their biggest hits including "Stop, Stop, Stop", and "Bus Stop" and some of their minor hits like "On a Carousel" and "King Midas in Reverse". If you are looking for some Hollies hit material you need look no further.

Jim Webb is a 21-year-old composer who is now rated as one of America's top 3 songwriters (the others being Bob Dylan and Paul Simon) although he has penned only 3 big hits. "Up, Up and Away" which took him 35 minutes to write and made him an overnight success in America. His next hit was "By the Time I get to Pheonix", recorded by Gen Campbell, a smash in the U.S.A. but a flop here.

His recent, and most sensational song is the Richard Harris marathon hit "MacArthur Park", which incidentally, is not about cakes. This young writer is obviously one of the most brilliant composers to enter the pop scene in the last 12 months, and will undoubtedly go much further.

The Beatles are changing record labels, will now record on their own, newly formed label.

Vibrant's new disc "Terrible Way to Treat Your Baby" is by far their best. Thanks, 3AK, for all those oldies of a morning.

"Sadie" is out after a record of 30 weeks.

8 of Sydney's top 40 are not on Melb. playlists. - These include John Rowles great new disc "Hush - Not a Word to Mary" (No. 20) and David and Jonathan's "Softly, Whispering I Love You" (No. 15) -

Poor show.

Think About This -

This week's "Pop Poetry" comes from the Tremeloe's hit "Silence is Golden".

"Talk, it is cheap
People follow like sheep
Even though there
Is nowhere to go."

COMPETITION -

The answer to last week's competition What was Bob Goldsboro's first big hit was "Molly".

There were no correct answers.

THIS WEEK: Name Simon and Garfunkel's first hit. The two first correct entries will win EP's of their own choice from 'Nev's'.

High Tide and Green Grass

(BY BACCHYLIDES)

This week I would like to say a few words about student riots and Monash University.

Monash has been much in the news lately for the activist views of some of its students on some of the societies more controversial points. The end result for Monash is not encouraging because the blame has been placed on the university as a whole. This is wrong because the activists are very small in number and yet have stirred up trouble for the whole of the university. The Monash Labour Club (not affiliated in any way what so ever with the A.L.P.) seems to be the backbone of the riot-stricken few. Let me point out that the Monash Labour Club is frowned upon by a huge percentage of students. It is only through a certain degree of student apathy that the Monash Labour Club has been able to make its presence felt. Lets face it most Monash students are concerned with only study, horses, football, the other sex and the weekly "session" at the Notting Hill.

Coming up are two amateur theatre productions which will be interesting to see. My old friends Williamstown Light Opera Company are putting on that bright, brassy musical the "Pyjama Game". Several of Altona's leading theatrical "brains" are directly concerned with the show so it will be well worth adjudging. The other show I wish to mention will be a theatrical first in Australia. Some of the things which make it a theatrical first are physedelic lighting, plastic costumes of modern design and "jazzed-up" music.

The show is "The Gondoliers" and it is being presented by Secondary Teachers College. Just for some of the girls around Altona, John Pickering is playing the lead. (John reached the finals in Showcase and dazzled several girls who saw him in "Pirates of Penzance").

"Thought for the Week"

This weeks answer to the "pop-poets" is a selection from "Man of La Mancha".

"To dream the impossible dream,
To fight the unbeatable foe,
To bear with unbearable sorrow,
To run where the brave do not go,
To right the unrightable

WESTERN SUBURBS DARTS

The match committee met on Monday, July 8 and the following decisions were made.

1. Teams failing to turn up for a match lose all match points which are awarded to the team in attendance.

2. Teams failing to send result sheets in by the Monday following match, lose all points won on the night.

3. Teams failing to record registration numbers of players will be dealt with by the rule covering this.

The trophies for season 1968 were selected, and any player winning one will be pleased with the selection, on finals night, Thursday, September 12, at the Altona Working Men's Club.

All players must be present by 7.15 p.m. for a prompt start at 7.30 p.m. The following games will be played:

Teams Premiership.
Mens Doubles.
Mens Singles.
During these finals the ladies games will take place on another board.
Messrs. Robert Rose and Tom Atkins have each donated a trophy to be played for by the top 4 teams in each division. This will not be premiership, only a top 4 competition. The match committee welcomes these handsome trophies which will create an interest for the teams who do not now have a chance of finishing in the top position of their respective leagues.

Also discussed was the Altona Star K.O. Cup which each year is donated by this newspaper. Entry forms are now being sent out. Being a K.O. Cup it is very hard to say who will win it.

The annual dance this year will be held at the R.S.L. Club, Altona. The night is to be limited to 200 people, including guests. The menu will be - Chicken in a Basket, Fruit Salad and Coffee. Liquid refreshments will be supplied. The cost of tickets will be \$5 per double. Each club will receive a ticket application from the Secretary.

In last week's games 180 was scored by R. Bailey of Seaholme - his 18th. Also had a high finish of

76 by W. Ellis, Seaholme. There were five 140's and 39 100's and above. The results were as follows:

DIVN. ONE -
Bristol d Newport, 8-5.
Seaholme d Yarraville A, 8-5.
Pioneer d Commercial, 8-5.
Dear Park d SRS, (w.o.) 13-0.

DIVN. TWO -
AWMC d Goodrich, 12-1.
Rovers d Plough, 11-2.
ICI Club d AWMC 'B', 10-3.

Bridge d Melton, 7-6.
Prince Albert d Y'ville, 13-0.
Racecourse d Yarraville B, 8-5.

Any teams playing at the Plough Hotel, the player with the highest score receives from the Boss W. Lummis, a bottle of champagne. Well done, Bill.

W'town/Altona Thornett won 26 to nil against Harlequins at the Strand Reserve.

The more experienced Thornetts were superior in all departments and lack of tackling by Harlequins allowed to score at will.

Scorers: Tries - Kidd, Gurkin, Whitehouse. Goals - Kidd 4. Best: Whitehouse, Kidd, Gurkin.

W'town/Altona Ramsden went down 3 to 19 against Box Hill Hornets. Box Hill are a well drilled team who were clearly superior in the backline, showing more team work in their passing. Best for W/A West, Griffiths and Thompson.

UNDER 14's -
St. Paul's college had no difficulty in disposing of Williamstown/Altona at the Strand Reserve. With W/A numbers depleted by sickness, and filled in by some of their Under 12's and St. Paul's out to give a Black a going away present, the result was very much a formality at 3 pts. to 3. The game showed good running, but could further improved by more interpassing of the ball amongst the backs.

Sunshine Technical School had the bye.

UNDER 16's -
Tottenham Technical School defeated Altona N.T.S. 14 to 0 at Langshaw's Reserve.

Tottenham, playing short of players showed the domination of the game from the kick off, and handling with good swerve and handoffs brought their results.

A.N.T.S., all departments, were still new up to the years of experience behind Tottenham.

Scorers: TTS Tries - Grieve, Wright, Terri. Goal: R. Wright. A.N.T. Try - Scerrin.

Army forfeited to Sunshine Technical School. Army who travel from Balcome were not allowed transport. Petrol strike.

All teams are training hard for the Victorian Junior Rugby Union 7-a-side Competition to be held Middle Park on July 17.

**Record Crowd
at Soccer**

A record crowd of 850 spectators turned up at Kim Reserve on Saturday to see Altona play Preston Macedonia, with the visitors winning 2-0.

Unfortunately for Altona, Steve Herman, their free scoring centre forward, had to call off at the last minute owing to a heavy cold.

When Preston heard this news, one would have thought they had won "Tatts". From an Altona viewpoint it was bad news. The weather was ideal for good soccer and right from the kick off Preston swung into attack, testing the "Maroons" defence.

Milloy and Balish, seasoned players, were unruffled and Craig Copley is afraid of nothing. Preston were held at bay. Ian Roberts was in great form and dealt smartly with everything that came his way.

However he had no chance of stopping a great goal by Preston after 10 minutes play. Altona were trying hard to get their attack going. Cook and Coles combined with Vanderpoel, who tested the goalkeeper who appeared jittery. On one occasion the ball ran along the front of goals but no Altona players were around to get it home.

Billy Ormerod was playing his heart out and Mario Greco was trying hard to get a crack at goal. Billy Ray was out of touch and the Altona forward line was a bit disjointed. Nevertheless they nearly scored when Ray took a free kick and deceived the keeper with a floating ball, which hit the top of the post.

Preston were fast and dangerous, playing with a touch of class, and the

huge crowd got plenty to roar about. Everybody was glad when the whistle went for the interval, giving them a chance to rest their voices.

The second half again saw Preston on the attack. Jim Balish was playing a real Captain's game, capably supported by Milloy and Copley. Ian Roberts was giving a polished display of goal keeping as in the first half. Just as Altona looked like getting back into the game Fred Kolliger pushed a Preston player inside the penalty area. The spot kick was smoothly stroked into the net and Altona were 2 goals down. This is when the "Maroons" really shone. They kept plugging away, all players tried hard.

Craig Copley moved to centre forward and he lived things up. Ormerod raced in to goal and just missed heading the ball into the net from close range. Milloy and Balish tried to move upfield, putting Preston under a lot of pressure. However, a goal eluded them. It was very nice to see the sports minded people of Altona who don't regularly support soccer, roaring encouragement to the "Maroons". Preston were victorious by 2-0 but it is to be wondered what the

Great Fight Back in Hockey

B North hockey team drew with M.C.C., 2-2. With a 'deserter' from Altona playing in goals for M.C.C., the stage was set for a tough battle between the 2nd and 3rd teams on the premiership ladder.

However, the tremendous speed of the MCC forwards showed up a weakness in Altona's defence, and in short order the locals were 2 goals down.

Then a great fight back began and at 2 all the spectators were in a great state of excitement. The anti-climax came when Altona failed to convert a penalty flick and the game ended in a draw.

Goals: Cronin, Hunter. Best players: R. Verity, J. Hunter.

In a high standard game, Altona B south ran

score would have been if Stevie had been playing. In the Reserve game Altona had a good win. As reported last week, all that was needed was a little effort from one or two of the young players and this would be a good side.

They played well, Millar Delamyn and Stutterd all had good games, and 6ft. 16 year old Charlie McNeal played like a veteran. Barry Stevens was back on the scoring list. A shot from 20 yards out was a real beauty.

Next week Altona travel to St. Albans. Stever Herman is fit again, but Ian Roberts has to go into hospital for a minor operation and will not be available for the game.

The Soccer Club would like to thank the supporters of both teams on Saturday for the generous way they contributed to the collection for Spastic children.

Moorabbin into the ground to win 3-1 and avenge an earlier defeat by the visitors.

Norm Hunter and Keith Robertson were in great form in the back line and their tremendous hitting was a treat to watch, but very demoralising for the opposition. Both capped off a good day by scoring goals, Norm converting a penalty corner and Keith a penalty flick.

Eric Ray (Sam) Symons put on a display of acrobatics getting bowled over successfully by the opposing goalie, and right back.

As in most games Altona started from behind when Moorabbin scored early, but the team, with considerable urging from the sidelines, fought back well to win comfortably.

Eric McCauley scored the 3rd goal.

D South defeated Essendon 3-1 in a game played under ideal conditions. It was enjoyed by all excepting Syd Hyne, who had to leave the ground during the second half with a suspected broken nose.

Both forward lines applied early pressure but the strong defence of the Altona half back line — J. Lawly, W. Smith and J. Gordon kept the Essendon forwards at bay.

Then Colin Burgess, taking the ball down the right wing, passed a good one across to F. Ranger 'who scored.

Other goals soon followed, one each from L. Smith and S. Hyde. A welcome sight — it was to see F. Ranger back on the ground for the first time this season. Also interesting to note that the average age of the team is about 36 years. There is some life in the old boys yet.

Best players: R. Metselaar, J. Lawley, W. Smith. D North were defeated

by an older, more skill and stronger Brunswick team, 5-1. Brunswick was quick to see and take advantage of Altona's weaknesses to score 3 goals.

For the rest of the Altona tightened their defences, during which Brian Gardner hit a goal. For the second time this season Toorak, showed much more determination and spirit, easily defeating Altona U16, 2-0.

Costly misses when shooting for goal early in game seemed to take the confidence out of Altona forward line and at no time did the locals recover sufficiently to threaten Toorak. The game must learn that the ball is not over until the final whistle. A good example was seen earlier this season when B South, 2 goals in front with minutes to go, were swamped.

Wesley and were lucky escape with a draw.

Best player: M. Kroll. The Under 14 team defeated Waverley 7-0, less experienced team.

The A's soon showed their mettle with goal passing and teamwork. was not long before Joe Forrester found the net. Cris Bruce not to be done made a lone run and scored a beautiful goal.

Good hockey all over the ground saw Altona 5 goals up at half time.

Macca McDonald was shifted from the backline to inside right and was determined to show the forwards how to hit goals but he found it harder than he thought. The A's sensing an easy win, seemed to let their game drift and only managed 2 more goals. However, it is hoped that the team's tremendous form can be retained for the finals.

Goals: J. Forrester, C. Bruce, J. J. Mallett, G. Groves. Best players: The Team. Playing Greensborough second string team, Altona Under 12 team prevailed the form of previous weeks to win easily 6-1.

A team is badly wanted to journey down to Geelong on Sunday, July 21 for the Geelong Carnival. Ma players are required there will be 4 hours hockey. It could be made a day's outing for the family. Contact Des Smith or your team captain soon as possible because you are needed. Bl shorts are required.

LADIES HOCKEY TEAM WINS

Altona Ladies B grade hockey team defeated Fairfield 1-0 on a wet tacky ground which was difficult to play upon and slowed the Altona girls until they were almost walking.

Altona's forward line lacked cohesion a day and only the support of the backs, in which Margaret Lukosek and Alison Scherman played a great part, was Altona able to attack again and again.

Kathy Garlick eventually scored a nice goal through Ginny Wing, and although she hit another the umpire disallowed the goal because she followed through with her body.

Altona's forwards were flat footed and the attacking Fairfield backs had a field day. Unfortunately, Kerry Smith was injured twice and this didn't help the forward line in their battle for more goals.

Liz Szatkowski played a great game and is to be congratulated. Goal: Kathy Garlick.

Best players: Margaret Lukosek, Alison Scherman, Liz Szatkowski.

On a muddy ground Altona C grade went down 11-1 to a more experienced and much older side from Latrobe University.

The match was played at Royal Park. The forward line did not shine to their full ability. They did not capitalise on strong passes from Chris Styles on the wing, who did not give up all day.

Kathy Ogilvie, who was brought up from a lower grade, shows promise as a good hockey player. Goal: Kay Deegan.

Best players: Chris Styles, Kay Deegan.

Having the advantage of playing on the tacker ground, Altona E grade won their first match for the season against Reservoir.

The whole team, bubbling with enthusiasm about the first goal was noticed by captain Lyn Gilson, seemed to be even more keen when another goal was scored shortly after by Deborah Cronin, making the score at half time 2-0.

After the break Altona managed to score another goal through Debbie Cronin and came out equal winners 3-1.

Goals: Lyn Gilson, Debbie Cronin, 2.

Best players: Lyn Gilson, Debbie Cronin, Karen Charles.

The next general meeting will be held on Wednesday, July 24 at the clubrooms at 7.30 p.m. and all girls are invited to attend. Next week's matches, at home are:— B North grade: Altona S.H.S. at 2.15. C North grade: Altona Preston at 1.00. E North grade: Altona Footscray at 3.30.

WINS FOR ALL JUNIOR SOCCER

The Altona Under 10 Soccer team, playing away to Newport, went on their merry way with a good win 2 goals to nil.

Having most of the play early on, Altona wasted chances with bad forward play which allowed Newport time to clear. M. Vanderpoel at centre half was playing a strong game, and time and again sent the Newport forwards back and opened out play for his own forwards to attack.

From one of these moves, N. Totney went through and with a fine shot looked to have the goalie beat ends up, but he made a valiant effort, pushing the ball out.

Then Burgess came up to push in the rebound for the first goal to Altona.

In the second half there was plenty of good play from both teams, and it was good to watch these lads putting all they had into it. Play went from end to end as both teams tried to score a goal to clinch the points. But it was Altona that got the most important goal, then with 2 goals lead they settled down to keep Newport out.

M. Donnelly improves with every game as does P. Totney, two of the youngest players in the team.

Best players: M. Vanderpoel, M. Donnelly, P. Totney.

The Under 12 team were at home to Sunshine C, and in fine style set off with a goal in the first minute, scored by A. Downes. This gave the team plenty of confidence and they didn't give Sunshine many chances. Half backs Roberts, Gramsbergen and Donnelly were having their usual good game and never allowed their opponents many chances to score goals. They sent plenty of passes through to their forwards which were put to good use by Douglas, Downes and Hamil.

Douglas on the wing, had his best game to date and made a lot of good crosses for Altona inside forwards to run on to.

At half time Altona 3-0. Still playing good soccer in the second half, Altona made Sunshine run around

in circles, trying to stop them. Downes and Hamil were doing most damage and Sunshine were wondering where they would pop up next.

But for the muddy conditions, Altona would have scored a lot more goals than the seven they got. The final score was 7-0.

Best players: Hamil, Roberts, Douglas.

The Under 14 team were at home to West Newport and played a lot better than the previous week, never giving their opponents a chance to settle down. Little at centre forward was playing much better than for a couple of weeks, and made Newport backs do a lot of chasing.

The backs were sending the ball through more quickly and this gave the forwards more room to work in and there was a lot of good soccer. Little scored first after 5 minutes from a good pass from G. Reardon. He went on to score 2 more before half time.

Two minutes before the change round, West Newport scored from a penalty after Hughes handled the ball, which would have been a goal.

It was all Altona in the second half, they attacked from the word go, and but for the great goal keeping of the West Newport keeper, it would have been a cricket score.

All the team were playing well and the forwards were getting plenty of chances.

More goals were scored by Reardon, Micheski, Thompson and Spencer with the final score 8-1.

Best players: G. Reardon, R. Gilpin, Micheski.

TECHNICAL

ASSISTANT

Applications are invited for appointment as a Technical Assistant in our laboratory. (Assignment to a laboratory day afternoon shift will be made after appropriate training).

Duties involve mixing of vulcanising ingredients into raw rubber to produce test mixtures which are then cured and examined for their physical properties. Experience in laboratory procedures would be an advantage.

The rates of pay, excellent pension plan, modern air-conditioned laboratory, plus subsidised cafeteria and active social club, make this a very worthwhile appointment.

Please apply in writing to T. R. Malcolm, Employee Relations Officer, or telephone 399 2333 for further particulars.
